EULIST FESTIVAL  
A CELEBRATION OF WOMEN  
IN STEM AND  
SUSTAINABILITY  
JULY, 2ND 2026

# EULIST FESTIVAL: A CELEBRATION OF WOMEN IN STEM AND SUSTAINABILITY

- Date: 2nd July 2026
- Venue: Königlicher Pferdestall, Appelstraße 7, 30167 Hannover

## Target audience:

- **Anyone** interested in the intersection of gender, innovation, and sustainability.
- Open to all individuals seeking inspiration and mentorship in STEM and sustainability

## GOAL

To enhance visibility and awareness of the interconnectedness of sustainability and women's empowerment in STEM

To create a platform for knowledge exchange and networking, fostering collaboration among stakeholders committed to these topics

To showcase successful case studies

## KPI'S THAT THE EULIST FESTIVAL COULD CONTRIBUTE TO (EXAMPLES)...

### WP1

- Specific Training offered to students/staff across the Alliance to promote sustainability
- Contribution to KPI: increase of female students in STEM
- Good-practice exchange and benchmarking of gender and diversity initiatives at EULiST Member universities
- EULiST Scholarships to support women and nontraditional learners in STEM

### WP5:

- KPI - public events to discuss and present topical issues
- KPI: engagements of regional partners and external stakeholders (councils, schools etc.)

### Overarching KPIs

- Student mobility within the Alliance

## INTERFACES AND CONTACTS WITH TASK GROUPS (TG) /MEMBERS

- Task Group 1.2
- Task Group 1.6
- Task Group 2.4
- Task Group 3.4
- Task Group 5.4
- Student Board

### **Current Discussions with EULiST Partner Universities - Collaborative Content Development (work-in- progress)**

#### Women in IT (STU-Input)

- <https://ajtyvit.sk/en/about-us/>
- To ensure the IT sector never misses out on a talented woman again
- Aj Ty v IT

#### JU: Engagement Students for Sustainable Actions

# FORMAT, SYNERGIES-LUH EVENTS FOR ENHANCED VISIBILITY AS AN ALLIANCE

BIP/Staff Week on Welcome Services (29th June to 3rd July)

- Target Audience: University staff
- Programme: work-in-progress

1st July: International Day at LUH

- Target Audience: Students

2nd July: EULiST Festival

- Target Group: Everyone is welcome
- Activities: Panel discussion, keynote talks, and workshops centered around themes of women in STEM and sustainability.

2nd July: LUH Summer Festival

- Informal setting for continued networking

**EULiST-Festival: Accompanying Social Media Campaign:**

- Focus on showcasing sustainability initiatives and enhancing visibility as an alliance.
- Highlight student-led projects and their contributions to sustainability across EULiST member universities.

**EULiST-Festival: Additional Initiatives at LUH (Student Engagement)**

- Open Call for Students: Encouraging LUH students to submit project ideas focused on creating a more sustainable campus environment.

## EULIST STUDENTS AT THE EULIST FESTIVAL

- Invitation to EULiST Students and Doctoral Students
- **Travel scholarships** are available for two students from each EULiST partner university.

### Scholarship Details

Funding covers:

- Arrival on 1st July
- Participation in the festival on 2nd July
- Departure on 3rd July
- Scholarship Amount: 525 EUR
- Process and communication managed by Steve ([eulist@zuv.uni-hannover.de](mailto:eulist@zuv.uni-hannover.de))
- 1st July also includes celebration of International Day
- By linking with student initiatives we aim to enrich the festival through knowledge sharing and networking.

### Support Required from Partner Universities - NOMINATION

- Please nominate up to two students/doctoral students from your university to participate and inform us at [eulist@zuv.uni-hannover.de](mailto:eulist@zuv.uni-hannover.de) by April 20th.
- We are seeking student representatives who either advance or can speak on STEM or sustainability at their universities.
- Ideal nominees are students involved in initiatives that promote sustainable campuses.

→ How students are nominated is entirely up to your respective processes
